

PROTECT IT WITH RUBBER®

URETHANE LINERS AND COATINGS

Sioux Rubber & Urethane can bond urethane liners directly to existing equipment such as pump housing, fan housings, cyclones or a semi-trailer or manufacture a bolt-on or drop-in liner for your specific application. Many types of urethane are available in a variety of thicknesses to make the liner or coating perform at an optimum level.

SPRAYABLE URETHANE COATINGS:

- Provide superior protection against friction, abrasion, corrosion, chemicals and weather
- Permanently bond to surface and have a broad working temperature range
- Available in thicknesses from .04" to 1/4"
- Can be applied to steel, aluminum, stainless steel, concrete, wood or fiberglass
- Used for pumps, chutes, hoppers, dump truck beds, railcars, snow plows, storage tanks, asphalt trucks and trailers, and many other items
- Seamless

BOLT-ON OR DROP-IN LINERS:

- Steel backing available
- Several fastening options; bolts, rivets, screws or tack weld
- Custom shapes and sizes to fit most applications
- Hardness available from 60 shore A to 65 Shore D

20-1/2" Dia. x 36" Face
Idler Roller

79" x 46" Lined Hopper
