

PROTECT IT WITH RUBBER®

URETHANE ROLLERS AND PULLEYS

Sioux Rubber & Urethane applies a variety of types and durometers of urethane to rollers and pulleys to meet almost any need. We can either cast or spray the covering to fit most any application. We can also strip off the existing worn covering and apply a new urethane covering to an existing core.

Sioux Rubber & Urethane also offers urethanes to meet your special needs including:

- Food grade
- High temperature resistance

Sioux Rubber & Urethane has the capability to:

- Resurface existing rollers or pulleys with urethane compounds
- Rollers up to 60" diameter and up to 20' length
- Urethane hardness available from 60 Shore A to 65 Shore D
- Crowned and/or grooved finishes are available
- Fast turn around times
