

PROTECT IT WITH RUBBER™

URETHANE ROLLERS & PULLEYS

Sioux Rubber & Urethane manufactures a variety of urethane faced rollers and pulleys to meet your specific needs. Rollers and pulleys can be cast solid or manufactured with a urethane face on a metal core.

Sioux Rubber & Urethane has a wide range of urethanes to meet your needs including:

- Food grade
- High temperature resistance
- Soft Surface

Sioux Rubber & Urethane has the capability to:

- Resurface existing rollers or pulleys with urethane compounds
- Rollers up to 18" diameter and up to 120" length
- Urethane hardness available from 60 shore A to 65 shore D
- Crowned and/or grooved finishes available upon request

Contact Sioux Rubber & Urethane if you have any questions or would like a price quote.
